CAUTION: Irritant to skin and eyes, harmful if swallowed, contains butoxyethanol. Keep out of reach of children.

See side panel for more cautions.

**30B24 Net Contents: Gallon(s)**

This versatile industrial strength cleaner offers rapid cleaning of washable surfaces without the hazards of solvent based chemicals. This concentrated, water soluble product may be used for many cleaning operations such as:

- pressure washing and steam cleaning
- use of finish stripping
- Air conditioning and vent-hood cleaning
- white wall tires
- concrete floor degreasing
- equipment cleaning and degreasing.
- kitchen maintenance
- masonry cleaning

### DIRECTIONS FOR USE:

Dilute according to suggested ratios, adjusting concentration as necessary. Apply with sprayer, mop, sponge, brush or steel wool, allow solution to penetrate, agitate if needed, then rinse with clear water. Allow surface to dry, blow dry with compressed air, or wipe dry.

Concrete, Terrazzo, & Ceramic Tile:	1:7 with water	Airplanes:	1:20 with water
Wax Stripping:	1:9 with water	Unsealed surfaces:	1:20 with water
