49B02 NET CONTENTS GALLON(S)

BIO-GRIME-GONE is a biological-based hard surface cleaner that can be used on floors, counters, sinks, tables, etc. BIO-GRIME-GONE contains surfactants, bacteria and enzymes designed specifically for eliminating grease, oil, fats, proteins, starches and sugars. Repeated use of BIO-GRIME-GONE significantly contributes to the effectiveness of the product. Disposing of the used solution down the drain provides a biological benefit to the plumbing system by creating a healthy bio-film.

DIRECTIONS:

Heavy Soil: 4-8 oz per gallon of water.
Medium Soil: 2-4 oz per gallon of water.
Light Soil: 1-2 oz per gallon of water.

CAUTION:

Do not take internally. If swallowed, rinse mouth and throat with water, then drink some water to dilute. For eyes, rinse with plenty of water for several minutes holding eyelids open. Avoid freezing.
