Do not take internally

70B35 Net Contents: Gallon(s)

PRESSURE PLUS is a heavy duty liquid cleaner primarily designed for the transportation industry, although it is used successfully in many industries. It offers a combination of emulsifiers, solvent and high alkaline builders that penetrate and dissolve heavy grease, soil and grime. **PRESSURE PLUS** is a heavy duty product for your heavy duty job

DIRECTIONS:

Trailer Cleaning: Set metering equipment to deliver 2 to 5 ounces of **PRESSURE PLUS** per gallon of water depending on soil and grease load.

Heavy Duty Steam Cleaning: Set metering valve on equipment to deliver 2 to 5 ounces of **PRESSURE PLUS** per gallon of water depending on soil and grease load.

Presoak: Mix 1 part of **PRESSURE PLUS** to 4 parts water, then prespray on, and hand scrub. Excellent on diesel smoke. Follow up with regular truck or car wash detergent (Example-ENVIRO-MATE). **Two Step Systems:** Use as Step Number 1.

CAUTION:

Contains sodium hydroxide and butoxyethanol. Do not get in eyes, on skin or on clothing. Inhalation of high mist concentrations may be irritating. When handling, wear rubber gloves, eye glasses and protective clothing.
