Power Punch is a super duty cleaner designed for the toughest cleaning jobs. This powerful product is the best choice for cleaning trash trucks, dumpsters, concrete parking lots, porta- potties, over the road trucks, aluminum or stainless steel trailers and off road equipment.

MIXING DIRECTIONS:

1. Choose a suitable 55 gallon poly drum
2. Use washer wand to fill drum to the lower band with cold water.
3. Pour powders into drum.
4. Use washer wand to fill drum to the upper band. (Keep wand under water)
5. Add liquids, top off drum with cold water.

DILUTION DURING USE: (possibly in a pressure washer)

Low Soil Conditions: Dilute 1:15 or 1:20

High Soil Conditions: Dilute 1:5

CAUTIONS:

This product contains Sodium Hydroxide and Butoxy Ethanol. Mix and use with COLD water only. Use safety shield or goggles and gloves when mixing this product. This product will cause burns to eye tissue and severely irritate skin tissue.

IN CASE OF CONTACT:

EYES: Flush eyes for 15 minutes with fresh water. Seek medical attention.

SKIN: Rinse affected area until skin is no longer slick. Launder contaminated clothing before re-use. **INGESTION:** Drink several glasses of milk or water and seek immediate medical attention. Keep out of reach of children.
